## PRESIDENT'S MESSAGE

Dear colleagues,

We are here with the 18th edition of Calicut Times, the monthly Newsletter of IAP Kozhikode.

We had our RAINBOW-PEDIATRIC SUB-SPECIALTY WEBINAR series this month and is going very well and is well appreciated by the members all over Kerala. Though it is a time of social distancing, the weekly 3 sessions of Rainbow, have brought all of us more close with more interactions.

I also take this opportunity to urge all members to be safe and do safe practice by using adequate PPE and social distancing while doing service at hospital or clinic.

I wholeheartedly thank all the Kozhikode IAPians for the active participation in all our programmes, your valuable advice, support and criticism and request to continue the same in our future endeavours also.
